# porto concrete

Find the industrial aesthetics of Porto, perfectly replicating the beauty of real concrete with a neutral colour palette, ideal for adding a touch of urban sophistication to any interior design. Crafted from durable porcelain with a natural matt finish, these tiles come in either a versatile 585x292mm format or a 585x585mm with 8mm thickness, featuring 12 unique face variations and rectified edges for a precise yet natural overall look. Porto tiles, with their neutral concrete effect, offer a timeless design for walls and floors, with a linear decor option that will add a 3D texture to your wall space. Pair the Decor tiles with the plain Porto tiles for a varied design across the walls, with the chance to use the plain Porto across the floor for a truly seamless scheme.

Featured: Riad - Grey

Featured: Sahn - Green

# riad and sahn

Inspired by traditional zellige tiles typical of Moroccan guest-houses, this indulgent collection stands out for its vivid colour palette and artisan, handcrafted appeal.

Manufactured from white body ceramic, a collective of 10x10 wall tiles are offered across nine distinctive hues each available in two finishes. Riad displays an intense gloss finish emphasised by the uneven surface texture, whilst Sahn pursues a chic, matt facade.

This rich variety of shades can also be enhanced further, we recommend combining both Riad and Sahn together in coordinating colourways to produce a highly tactile composition for your interiors.
